## Delivery Locations:

- ✔ Blackburn, Narre Warren & Preston
- ✔ Onsite (for corporate groups)

## Course Overview

Start your rewarding career in Aged Care with All Health Training and become a job-ready Personal Care Assistant.

This qualification is designed for individuals working in community, home, or residential care settings. They operate within a multi-disciplinary team, under supervision and delegation. Their primary role is to deliver personalised support to individuals who may need assistance due to factors such as aging, disability, or other reasons.

Some tasks may include: assistance with personal hygiene, dressing and undressing, mobility support, meal preparation and feeding, monitoring vital signs, emotional and social support, assistance with activities of daily living (ADLs), cleaning, housekeeping and end-of-life care.

At All Health Training we're dedicated to inclusivity. We embrace access and equity principles, and we invite individuals with disabilities and from First Nations communities to apply. We believe in the strength of diversity and are here to support every learner in reaching their potential.

## Entry Requirements

This course is an open entry program of study and to succeed, students should have basic reading, writing, and communication skills necessary for the job. Some additional entry requirements include proof of immunisations and a current police check for placement purposes. For further entry requirements, please visit our website or scan the QR code.

## Govt. Subsidised Training

This training is delivered with Victorian and Commonwealth Government funding under the Skills First Program and may impact your access to further government subsidised training.

To find out if you are eligible, please contact us on 9894 3900 to discuss your circumstances, visit our website or scan the QR Code.

## Tuition Fees

The student tuition fees as published on our website [www.allhealthtraining.edu.au](http://www.allhealthtraining.edu.au) are subject to change given circumstances at enrolment.

## Practical Placement

Practical placement of 120 hours is a mandatory requirement of this course. All Health Training will organise placement in the industry on our students behalf.

## Next Course Commencing

Regular intakes are available throughout the year. Please refer to our website at [www.allhealthtraining.edu.au](http://www.allhealthtraining.edu.au) for upcoming course dates.

## Units of Competency

15 units of competency are required to successfully complete this qualification. This includes 9 core units and 6 elective units, in addition to 120 hours of practical placement.

| UNIT CODE             | UNITS OF COMPETENCY  |
|-----------------------|--|
| <b>Core Units</b>     |  |
| CHCCCS031             | Provide individualised support   |
| CHCCCS040             | Support independence and wellbeing                                       |
| CHCCOM005             | Communicate and work in health or community services                     |
| CHCDIV001             | Work with diverse people   |
| CHCLEG001             | Work legally and ethically   |
| CHCCCS041             | Recognise healthy body systems   |
| HLTWHS002             | Follow safe work practices for direct client care                        |
| CHCCCS038             | Facilitate the empowerment of people receiving support                   |
| HLTINF006             | Apply basic principles and practices of infection prevention and control |
| <b>Elective units</b> |  |
| CHCAGE011             | Provide support to people living with dementia                           |
| CHCAGE013             | Work effectively in aged care  |
| CHCPAL003             | Deliver care services using a palliative approach                        |
| CHCCCS036             | Support relationships with carer and family                              |
| CHCCCS033             | Identify and report abuse  |
| CHCCCS042             | Prepare meals  |

Competency is assessed through a combination of practical application and demonstration of skills, research, analysis and completion of competency based workbooks.

**\*HLTAID011 Provide First Aid** is available as a separate unit of competency through our public courses at an additional cost. To check upcoming dates and make a booking, visit our website.

## Practical Experience and Assessment

Students get the opportunity to undertake practical skill development throughout the course in the All Health Training simulated environment with trainers who are experts in their field and maintain currency in the industry. Students are also assessed based on skill development throughout the course.

## Credit Transfers (CT) + Recognition of Prior Learning (RPL)

If students have already successfully completed unit/s of competency which are included within the current listing qualification AHT offers, credit transfers may be granted. Credit transfers must be approved prior to course commencement. Competencies gained through other formal study or experience may be acknowledged through a recognition process of prior learning (RPL). Contact us for further information.

## Further Education

If you wish to continue your education and career progression, you may consider pursuing higher-level qualifications in aged care or related fields, such as the Certificate IV in Ageing Support or Certificate IV in Disability.
