## Assist Clients with Medication Skill Set

### Course Overview

This skill set reflects the skill requirements to prepare for and provide medication assistance plus completion of medication documentation. It also involves supporting a client to self-administer medication.

### Govt. Subsidised Training

This training is delivered with Victorian and Commonwealth Government funding under the Skills First Program and may impact your access to further government subsidised training.

If you meet the government funding criteria as outline below, your course will be free. **Yes, that's right...free! \$0!**

To find out if you are eligible, please contact us on 9894 3900 to discuss your circumstances or scan the QR code for more information.

### Entry Requirements:

This is an open entry program of study with participants needing to read, write and communicate in English to a level to perform the job.

- ✔ Students will be required to complete a "Language, Literacy & Numeracy (LLN)" evaluation
- ✔ Students must undertake a "Pre-Training Review" prior to course commencement
- ✔ Students are required to be able to access a computer, internet with moderate digital technology skills to conduct online and virtual course requirements.

### Delivery Mode Options:

- ✔ Classroom & blended/virtual learning

### Delivery Locations:

- ✔ Blackburn, Narre Warren & Preston
- ✔ Onsite (for corporate groups)

if you are an employer looking to train your staff in a group, you can contact our workshops department at [workshops@aht.edu.au](mailto:workshops@aht.edu.au).

## Units of Competency

The Assist Clients with Medication Skill Set consists of two (2) units of competency:

Unit Code	Units of Competency
HLTAAP001	Recognise healthy body systems
HLTHPS006	Assist clients with medication

Competency is assessed through a combination of practical application and demonstration of skills, research, analysis and completion of competency based workbooks.

## Course Structure

The program is designed to include a combination of practical application and demonstration of skills, research, analysis and completion of competency based workbooks.

**Locations:** Blackburn, Narre Warren & Preston or onsite with an employer

**Class Size:** Minimum of 6 students & Maximum of 8 students to ensure sufficient time for practise and assessment in the simulated work environment

**Duration:** 1 day from 9am – 4.30pm for workshop attendance + workplace assessment

**Delivery Mode:** Classroom & Blended Learning

Theory assessment to be completed prior to workshop attendance for both units of competency

Workshop attendance - theory review & simulated practical assessment

Workplace demonstration & assessment

**Format/Structure:** the workshop is conducted in 3 phases in order to be deemed Competent in this Skill Set

1. Learner Guide and Written Assessment - completed by the student as self-paced learning and returned not later than 2 weeks prior to attending the workshop. This homework is approx. 10 – 15 hours for most students.
2. Workshop attendance – revise theory & simulated practical assessment which includes role plays in a simulated work environment
3. Workplace demonstration & assessment – each student is required to be assessed preparing, providing medication & completion of documentation in the workplace. Details of the date and time will be coordinated with your employer and must be adhered to.

## Tuition Fees

The student tuition fees as published are subject to change given individual circumstances at enrolment.

This Victorian accredited course is **FREE** if you are an Australian Citizen, Permanent Resident or New Zealand citizen.

**Fee For Service (not eligible for government funding):** \$750

Payment plans are available, talk to us to learn more.
